A **motion** was made by Mr. Harris, seconded by Mr. Howden, and unanimously passed approving the minutes of the December 21, 2021, Regular Board Meeting, as presented.

G. OLD BUSINESS

1. Update on Fire and Water Systems

Mr. Wodraska gave an update stating that he had hoped that Johnson & Davis would have followed through on their promise to have information on the project finalized but they did not deliver, once again. Ms. Brandon advised that she had spoken with a representative from Johnson-Davis Inc. regarding the project and expressed continued frustration.

Ms. Brandon noted that one remaining issue is regarding a pipe that showed on old “as-built plans” but have been difficult to locate. She recommended that the CDD hire a contractor to locate the pipe. There was a discussion about whether the CDD should get involved in locating the pipe or should J/D be fully responsible for it.

The consensus decided to have the CDD hire a contractor to locate the pipe, which should be very expensive.

There was a **motion** made by Jack Harris, seconded by Mr. Howden, to authorize staff to hire a contractor to locate the pipe as a sub-contractor for a not-to-exceed amount of \$2,000 under the AECOM contract. The **motion** carried unanimously.
